Zelle®), check or mobile deposits, and other online transfers are not eligible for TD Early Pay. The Bank does not guarantee that any direct deposits will be made available before the date scheduled by the payor, and early availability of funds may vary between direct deposits from the same payor.

When funds are made available early, they will be reflected in your account's available balance. Whether we make funds available early depends on (1) when we receive the payor's payment instructions, (2) any limitations we set on the amount and frequency of early availability, and (3) standard fraud prevention screening.

If a direct deposit is not made available early, it will be made available in accordance with our Availability of Funds Policy described in the **Personal Deposit Account Agreement (PDAA)**. Except as expressly set forth in the PDAA, funds made available early are subject to the same terms and conditions as other deposits to your account. If we've made funds available early and the payor reverses or requests a return of the deposit, or the funds are otherwise uncollected by the Bank, you understand and agree that we may debit your account in accordance with our normal process found in subpart e) Direct Deposits, found in the PDAA, up to the amount of the deposit that was previously made available – even if you have already withdrawn the funds or it creates an overdraft on your account, without prior notice from us and at any time. In this instance, you are responsible for any fees assessed – including those charged by merchants or third parties – as a result of the overdraft. TD Early Pay is offered at the discretion of the Bank, and we reserve the right to cancel the service at any time and without notice to you.

<sup>12</sup>Overdraft Services do not apply to TD Essential Banking Accounts. We may decline or return transactions that would result in an overdraft. Transactions that you make may cause your Account to overdraw but we will not assess your TD Essential Banking Account an overdraft fee. For example, preauthorized transactions and other transactions may post to your Account even when the balance in your Account is not sufficient to pay the transaction.

<sup>13</sup>Customers with a TD Complete Checking account are eligible for a monthly maintenance fee waiver on one personal savings account that you choose to link to your TD Complete Checking account. Waiver expires when the TD Complete Checking account is closed.
