is not available to existing Chase savings customers. Both offers are not available to those whose accounts have been closed within 90 days or closed with a negative balance within the last 3 years. You can receive only one new checking and one new savings account opening related bonus every two years from the last coupon enrollment date and only one bonus per account. Coupon is good for one-time use. **To receive the checking bonus: 1)** Open a new Chase Total Checking account, which is subject to approval; **AND 2)** Have your direct deposit made into the new checking account within 90 days of coupon enrollment. Your direct deposit needs to be an electronic deposit of your paycheck, pension or government benefits (such as Social Security) from your employer or the government. Person to Person payments (such as Zelle®) are not considered a direct deposit. Micro-deposits do not qualify as a direct deposit for the bonus. Micro-deposits are small deposits, typically less than \$1, that are sent to your account to verify it is the correct account. After you have completed all the above checking requirements, we'll deposit the bonus in your new account within 15 days. **To receive the savings bonus: 1)** Open a new Chase SavingsSM account, which is subject to approval; **2)** Deposit a total of \$15,000 or more in new money into the new savings account within 30 days of coupon enrollment. The new money cannot be funds held by you at Chase or its affiliates; **AND 3)** Maintain at least a \$15,000 balance in the new savings account for 90 days from the coupon enrollment. After you have completed all the above savings requirements, we'll deposit the bonus in your new account within 15 days. **To receive the extra bonus:** You must open the checking and savings account at the same time and complete all requirements above for BOTH the checking bonus and savings bonus. After you have completed all requirements, we will deposit the remaining bonus due in your new account within 15 days. To receive any of the above bonuses, the enrolled account must not be closed or restricted at the time of payout. Eligibility may be limited based on account ownership. The Annual Percentage Yield (APY) for Chase SavingsSM, effective as of 06/26/2026, is 0.01% for all balances in all states. Interest rates are variable and subject to change. Additionally, fees may reduce earnings on the account. Bonuses are considered interest and will be reported on IRS Form 1099-INT (or Form 1042-S, if applicable). **Chase Online Bill Pay:** Must enroll in Chase OnlineSM Banking and activate Online Bill Pay. Certain restrictions and limitations may apply.
