6. Avoid withdrawals that would take you below your Net Eligible Deposits during the 18-month hold period.

Limit: One participation per person.

6. Net Eligible Deposit (NED) Calculation

Your NED is calculated as: **$NED = (\text{Deposits during Promotion Period}) - (\text{Withdrawals during Promotion Period})$**

- The **snapshot** occurs at the end of the Promotion Period.
- Only **deposits via qualifying funding methods** count toward NED (internal transfers and trading activity are excluded).
- Only **withdrawals** reduce NED.

Kraken may adjust NED calculations to address fraud, abuse, or operational errors.

7. Qualifying Funding Methods for Deposits

Find below a list of Qualifying Funding Methods. Funding via credit card, debit card, Google Pay, or Apple Pay is not a qualifying funding method. Note that funding may be done via your Kraken account or Kraken Pro account, but you must have enrolled for this Promotion via the Kraken app.

Eligible participants will receive a reward (“Reward”) equal to:

3% of their Net Eligible Deposits, up to a **maximum reward of \$30,000 USD equivalent** per participant.

Minimum qualifying deposit: **\$1 USD (or crypto equivalent)**.

8.2 Reward Asset

Rewards will be delivered as follows:

- **USDG** to users located in the **United States, the EEA**, and all other jurisdictions where USDG is supported.
- **USDC** for users located in **Canada**.

Reward delivery currency localization may be used for display purposes in the app. As a result, users with a currency display preference set to anything other than USD may see small discrepancies owing to currency conversion rates.

8.3 Reward Issuance

- Reward credits will be issued 14 days **after the end of the Promotion Period** and following Kraken’s verification of eligibility.
- Rewards are **spendable immediately** inside Kraken but are **non-withdrawable for 18 months** following issuance.
- Rewards may be subject to clawback as described in Section 10.

Rewards are non-transferable and may not be exchanged or substituted except at Kraken’s discretion for assets of equal or greater value.

9. Eligibility Requirements

By clicking Accept All Cookies, you consent to the use of cookies and similar technologies to enhance site navigation, analyse site usage, and assist in our marketing and security efforts.

To retain the Reward, you must not withdraw below your NED throughout the 18 month hold period following the end of the Promotion Period.

10.2 Clawback Conditions

Kraken may **revoke (claw back)** the Reward—by reversing it or debiting assets of equivalent value—if:

- Your NED falls below the amount required to maintain the Reward during the 18-month hold period;
- You withdraw funds to a Derivatives wallet (for participants located in the United States);
- You withdraw funds to a Custody wallet;
- Your account is suspended, restricted, or closed;
- Fraud, abuse, gaming, self-funding, wash practices, or manipulation are detected;

Clawbacks may occur without prior notice.

11. Notification of Reward

Class Action Waiver

All disputes will be resolved **individually**, without resort to class or representative actions.
