All investing involves risk.

Brokerage services are offered through Moomoo Financial Inc. ("MFI"), a registered broker-dealer and member of FINRA and SIPC. For further information about MFI, visit [FINRA's BrokerCheck](#).

Clearing and custody services are provided by Futu Clearing Inc. ("FUTC"), also a registered broker-dealer and member of FINRA and SIPC. For further information about FUTC, visit [FINRA's BrokerCheck](#).

Cryptocurrency services are offered through Moomoo Crypto Inc. ("MCI") (NMLS ID: 2287314), a money services business registered with FinCEN (MSB Registration Number: 31000288349013). Moomoo Crypto Inc. is not a broker-dealer. Cryptocurrency assets held with MCI are not FDIC insured or SIPC protected. Cryptocurrency services may not be available in all jurisdictions. You may review MCI's licenses [here](#).

Options trading entails significant risk and is not appropriate for all customers. It is important that investors read [Characteristics and Risks of Standardized Options](#) before engaging in any options trading strategies. Options transactions are often complex and may involve the potential of losing the entire investment in a relatively short period of time. Certain complex options strategies carry additional risk, including the potential for losses that may exceed the original investment amount. Supporting documentation for any claims, if applicable, will be furnished upon request.

\$0 commission trading is available only to U.S. residents trading securities in the U.S. markets through Moomoo Financial Inc. Other fees may apply. For more info, visit [moomoo.com/us/pricing](#).

Electronic trading involves risks. System availability and responsiveness may vary due to market conditions, system performance, and other factors. Account access and trade execution may be delayed or unavailable during periods of high market volatility.

App services Moomoo is a financial information and trading app offered by Moomoo Technologies Inc. ("MTI"). MTI is not a broker-dealer and does not provide investment advice or execute trades. Securities and cryptocurrency trading services available through the app are provided by its affiliated licensed entities, including MFI and MCI.

MFI, FUTC, MCI, and MTI are affiliated entities and are indirect wholly owned subsidiaries of Futu Holdings Limited ("Futu") (Nasdaq: FUTU). These entities are not banks. Brokerage and cryptocurrency products are not FDIC insured, are not deposits or obligations of a bank, and may decline in value.

The products and services offered on this website are subject to applicable laws, regulations, and terms of use, and may not be available in all jurisdictions. Please review our [Privacy Policy](#), [Terms of Use](#), and [Risk Disclosures](#) for additional important information.
