# Build credit for tomorrow.<sup>20</sup>

Our credit-building cards, also called secured cards, let you spend just like you would with a traditional credit card. The main difference is you'll need to make a refundable security deposit from \$300 to \$5,000, to set your credit limit. Spend within your limit and pay your bill when it's due. Over time, this will help build your credit and you may be able to graduate to a traditional card.

**U.S. Bank may change APRs, fees and other account terms in the future based on your experience with U.S. Bank National Association and its affiliates as provided under the Cardmember Agreement and applicable law.**

Not all transactions are considered to be Purchases and eligible to earn rewards, such as transactions posting as Convenience Checks; Balance Transfers; Advances (including ATM withdrawals, wire transfers, traveler's checks, money orders, foreign cash transactions, betting transactions, and lottery tickets); interest charges and fees; credit insurance premiums; and transactions to (i) fund certain prepaid card products, (ii) buy currency from the U.S. Mint, or (iii) buy cash convertible items. Upon approval, see your Cardmember Agreement for details. Each merchant's business is identified by a category code established by Visa. A Purchase will not earn additional rewards if the category code applied to a merchant is in a category that is not eligible for additional rewards earning. We do not determine the category codes applied to merchants' businesses and reserve the right to determine which Purchases qualify for additional rewards.

Account must be open and in good standing (not past due or overlimit) on the closing date of the billing cycle to earn and redeem rewards and benefits. Upon approval, please refer to your Cardmember Agreement or Rewards Program Rules in the online Rewards Center by logging into [usbank.com](http://usbank.com) for additional information.

1. Cash back rewards are earned under the U.S. Bank Smartly™ Visa Signature® Card program. These rewards are earned as "Points", and U.S. Bank will credit your U.S. Bank Smartly™ Visa Signature® Card with 2 Points for every \$1 spent in eligible Net Purchases (Purchases minus credits and returns). You may earn additional Points for a Smartly Earning Bonus if you:

- Have or open a U.S. Bank Smartly® Savings account with a minimum opening deposit of \$25; and
- Have a "Qualifying Balance" with U.S. Bank in open consumer Bank Smartly® Checking, and/or Safe Debit account(s). Deposits in other U.S. Bank accounts do not qualify towards the Qualifying Balance requirement. Based on your Qualifying Balance, you will earn Points according to the following Smartly Earning Bonus tiers, except for the exceptions described below:
  - Between \$10,000 - \$49,999.99, to earn a total of 2.5 Points per \$1 of eligible Net Purchases (a base of 2 Points plus the Smartly Earning Bonus of 0.5 Points),
  - Between \$50,000 - \$99,999.99, to earn a total of 3 Points per \$1 of eligible Net Purchases (a base of 2 Points plus the Smartly Earning Bonus of 1 Point), or
  - \$100,000 or more to earn a total of 4 Points per \$1 of eligible Net Purchases (a base of 2 Points plus the Smartly Earning Bonus of 2 Points).
- Note: Account relationship exclusions apply. See [Consumer Pricing Information PDF](#) for additional details.

Exceptions:

- Smartly Earning Bonus applies to a maximum of \$10,000 in eligible Net Purchases each Card billing cycle. Eligible Net Purchases over \$10,000 during each Card billing cycle will earn the base earn of 2 Points per \$1 spent in Net Purchases.
- Not all Purchases are eligible to earn the Smartly Earning Bonus: Purchases classified as (1) education/school, gift cards (including discount gift card sites), insurance, or tax; (2) "business-to-business transactions" (transactions with merchants who are in the business of supplying goods and services to other businesses, such as advertising services, plumbing/heating suppliers, construction

material suppliers (excluding home improvement stores), and computer programming services), even if not made for a business purpose; and (3) transactions using third-party bill payment services will earn the base of 2 Points per \$1 spent in Net Purchases and may not earn additional Points for the Smartly Earning Bonus. These Purchases are not calculated as part of the \$10,000 cap. Each merchant's business is identified by a category code established by Visa. A Purchase will not earn additional Points if the category code applied to a merchant is in a category that is not eligible for additional Points earning. We do not determine the category codes applied to merchants' businesses and reserve the right to determine which Purchases qualify for additional Points.

The Qualifying Balance is determined as follows:

- At the end of each day an average Qualifying Balance is calculated. The balance is based on a 30-day average balance of all qualifying accounts and is calculated by adding together the end of day ledger balance(s) for every day in the last 30 days and dividing the total by
  - 30 calendar days, or
  - the number of days since opening an initial qualified account (either a consumer Bank Smartly® Checking, or Safe Debit account).
- The Smartly Earning Bonus tier that is applied to your U.S. Bank Smartly credit card account is determined based upon the Qualifying Balance (as described above).

If your daily Qualifying Balance qualifies you for a tier upgrade or downgrade, you will be moved to the higher or lower tier (within 5 business days). This means that the bonus tier that will be applied to your account may vary during a Card billing cycle. The Smartly Earning Bonus is applied based on the Purchase transaction date using the effective tier value determined as of the date the transaction posts.

For joint Card accounts: The applicable Smartly Earning Bonus tier will be determined by reviewing the Qualifying Balance in the qualifying account(s) of each Cardmember (if there is more than one) and using the total Qualifying Balance of the individual whose account(s) have the highest total. (This means that all Cardmembers may be aware of the balance range of the Cardmember with the highest qualifying balance.) Balances of the Authorized User(s) will not qualify for determining the Smartly Earning Bonus tier.

Points will expire if there is no reward, Purchase, or balance activity on your Card account for 12 consecutive statement cycles. If you make a Purchase return or otherwise receive credit on a Purchase transaction, Points will be deducted from your Points balance based on the Smartly Earning Bonus tier that applies to your card account when you make the return or receive the credit.

2. This card earns cash back rewards in the form of Points. To redeem as Cash Back in the values noted in this advertisement, Points can be redeemed as a deposit into an eligible U.S. Bank deposit account. Other redemptions, such as for statement credits and gift cards, may be at a reduced redemption rate.
3. The 0% introductory APR applies to purchases and is valid for the first 12 billing cycles. The 0% introductory APR applies to balance transfers made within 60 days of account opening and is valid for the first 12 billing cycles. The introductory rate does not apply to cash advances. Any amount over your Minimum Payment is applied to balances in the order of highest to lowest APR.

4. Balance Transfer transactions from other U.S. Bank National Association accounts are not permitted. You may cancel a balance transfer request within 10 days of account opening by calling 800-285-8585. After 10 days from account opening, requests to stop payment on Balance Transfer Check(s) issued by U.S. Bank shall not be honored unless the check(s) has been stolen, lost or destroyed.
5. The 0% introductory APR applies to purchases and is valid for the first 21 billing cycles. The 0% introductory APR applies to balance transfers made within 60 days of account opening and is valid for the first 21 billing cycles. The introductory rate does not apply to cash advances. 7. **Plan Fee:** A fixed fee that will be charged each month that you owe a Plan balance on Plans that have a duration of 6 or more months. This fixed fee is disclosed when a Plan is extended to 6 or more months. Upon approval, see your Cardmember Agreement for Plan Fee details.
8. **Plan Transactions:** Purchases that post to your Account will be placed into a payment Plan to be paid back over time (each, a "Plan"):
  - Every purchase that posts to your Account during a billing cycle that is \$100 and over will immediately and automatically be divided into 3 payments and placed into a Plan to be paid back over 3 billing cycles, starting with the billing cycle after the date the purchase posts to your Account. Prior to the end of the billing cycle in which a Plan has been set up, you may log into online banking (usbank.com) or the U.S. Bank Mobile App, or use channels that we make available in the future, to extend the repayment period. We will charge a Plan Fee for longer repayment periods, which will be disclosed when the Plan is extended. U.S. Bank cannot control when merchants submit purchases to post to your account or the amount of those purchases. If a purchase posts on the same day as your billing cycle, you will not be eligible to select a plan duration of 6 or more months. The purchase will automatically be divided into three payments and placed into a 3-month payment plan.
  - Purchases that post to your Account during a billing cycle that are under \$100 will be combined into one Plan ("Small Purchase Plan") at the end of the billing cycle and automatically divided into 3 payments to be paid back over 3 billing cycles, starting with the billing cycle after the date the Small Purchase Plan is set up. The duration of the Small Purchase Plans may not be extended.

Plan durations may not be shortened, unless you pay off your Plan balance.

9. Minimum redemption amounts may vary and are subject to change without notice. Cash rewards will expire at the end of the calendar month 36 months after the billing cycle in which they were earned.
