WHY ZACKS TRADE? ▾

¹ Zacks Trade does not make investment recommendations and does not conduct investment research. Zacks Rank Trading tool and the information provided therein are the sole property of, and are provided by, Zacks Investment Research, Inc. ("ZIR"). The research, projections or other information provided by ZIR regarding the likelihood of various investment outcomes are hypothetical in nature, do not reflect actual investment results and are not guarantees of future results.

ZIR and Zacks Trade are separate companies. Zacks Trade does not endorse or adopt any particular investment strategy, any analyst opinion/rating/report or any approach to evaluating individual securities. Zacks Trade make no guarantees that information supplied is accurate, complete, or timely, and does not provide warranties regarding results obtained from their use.

The Zacks Rank Trading Tool is a research tool provided to help self-directed investors evaluate securities. The criteria and inputs entered are at the sole discretion of the user, and all screens or strategies with preselected criteria are solely for the convenience of the user. Information supplied or obtained from these screeners is for informational purposes only and should not be considered investment advisor guidance, an offer of or a solicitation of an offer to buy or sell securities, or a recommendation or endorsement by Zacks Trade of any security or investment strategy. If investors follow any investment or investment strategy, including published screens, they must determine whether the investment or investment strategy is suitable based on investment objectives, risk tolerance, financial situation, and other individual factors. Investors should reevaluate their strategies periodically.

² Zacks Trade's margin rate starts at 8.83% compared to Charles Schwab (rate starting at 11.825%), E*Trade (rate starting at 12.45%), Fidelity (rate starting at 11.825%) and Vanguard (rate starting at 12.00%). Zacks Trade commissions for stocks start at \$0.01 per share with a \$1.00 minimum. Competitor margin rates obtained from published websites as of 12/15/2025 are believed to be accurate but not guaranteed. Some of the brokers may reduce margin interest rates depending on account activity or margin debit balances. Comparisons do not include competitor discounts or promotions.
